**Dute** is a pop artist. From his youth, he discovered the Beatles and The Alan Parsons Project. He was inspired by their innovative melodies and arrangements. Over the years, he has developed a distinctive style that blends classic pop elements with modern influences. His music is characterized by catchy choruses, polished production and heartfelt lyrics.

---

**Dute** has set himself the objective of releasing a single every 6 weeks, he works with different performers who sing his melodies, it is at home, in his home studio that he feels best to write and record his songs.
